Attire: Bring ALL of your choir attire and dress shoes in a backpack or string bag to change into before the performance. Per Disney backstage rules, all students must wear tennis shoes when entering backstage. No sandals or flip flops are permitted.

Performance Info: Disney will be sending detailed info regarding the performance two (2) weeks prior to the show. So, please diligently check your e-mail for more info! We know that the show will be in Disney's California Adventure at the Hollywood Backlot Stage.

Money: A 1 Day/1Park ticket is \$40 and a 1 Day/Park Hopper is \$80. Students are responsible for their own meals or souvenirs.

Backstage Rules: No photos/video to be taken. Cell phones must be OFF so that their signals do not interfere with the sound technicians. There is absolutely NO food/drink except for water. Only students/chaperones can enter the backstage.

Behavior: This choir field trip is going to be a fun event for all the students! However, it is important to be reminded that students must adhere to the **CCCS Student Handbook guidelines** while attending this school field trip and follow all instructions that are given to them.

Furthermore, it is expected that the choir students will conduct themselves in a Godly manner wherever they go, which includes the backstage area, standing in line for rides, watching parades, or during meal times. Any student who does not follow these guidelines or instructions not only jeopardizes their attendance at any future choir field trips but also for the rest of the choir members.

Please take time to discuss with your student the need to behave appropriately and follow all instructions while still having fun on this exciting event!
