

Faith and love have been the standard  
With the cornerstone of truth  
We have learned to trust in Jesus  
Through the years at our dear school

Calvary, we love you Calvary  
As time goes by remember,  
We love you Calvary

We have made some special friends here  
Who will last eternally  
We won't always be together  
So lets thank God for Calvary

Calvary, we love you Calvary  
As time goes by remember,  
We love you Calvary  
We love you Calvary
